

Weathervane Playhouse In-person Class Policies and Procedures 2022

Our number one priority is to create a safe, clean, and healthy space for students to take part in classes. Please review the policies and procedures below before registering.

How are we keeping students safe?

- Mask requirements for teachers, students, and parents/guardians when in the building
- Limited number of classes
- Cleaning breaks in-between classes
- Temperature checks
- Hand sanitizing stations
- Social distancing will be encouraged and practiced when possible

General Policies:

- Mask Requirements for teachers, students, and parents/guardians.
 - All students, teachers, and parents/guardians must wear a mask while in the building unless eating/drinking.
 - If a student shows up to class without a mask, one can be provided for them.
- All students must arrive no earlier than 15 minutes to check-in for their class.
- Parents/Guardians may sit in the lobby during classes. Those who choose to do so must wear a mask.

If a student, parent, or guardian is not observing Weathervane's Policies and Procedures, their parent/guardian will be notified. If the problem is not rectified, they will be asked to leave for the remainder of the program without a refund.

Weathervane Community Playhouse reserves the right to change any of these policies during the 2022 Winter session. Parents will be notified if and when there are any policy changes.
